Kristen,

If we were closer to the New York City metro area, I would love to try to find a way to meet Tom Kady in Edison but I think we will be too far out to make this work.

I will get into the conference in Connecticut tomorrow just before noon. Maybe we can touch bases when I get there.

Hi Sherry,

Do you have interest in visiting Tom Kady regarding help for the Tribal LIF work this week.

It sounds like Thursday would be better than Wednesday for Tom (the Chinese group is visiting Wednesday), but either works for me.
